

Jasveer Malaney

Jasveer Malaney, PCC is an Executive Coach with Executive Development Associates, based in Singapore. Jasveer is an award winning Senior Certified Executive Leadership Coach who helps managers become more effective and influential in their roles by elevating their leadership abilities.

She leverages her 28 years of global experience working with World Bank, Scotts Holding Group, and Kelly Services to collaborate with executives to fundamentally redesign their approach to leading by enhancing their leadership skills. She has worked extensively with women leaders and specializes in the support of high potential leaders. She works with executives to as they make a transition, face the challenge of a culturally diverse work group, or handle difficult relationship.

Leading diverse teams enabled her to sharpen her own leadership skills and competency, and through experimenting and developing systems to cope, she learned ways of elevating her leadership abilities and deliver consistent results, saving her company millions of dollars through streamlining productivity and increasing revenue streams.

Over the past 15 years she has formally coached senior leaders and teams in Fortune 500 companies and many major non-profit organizations. The industries she has worked with include Aviation, Advertising, Banking, FMCG, Healthcare, Insurance, Technology, Legal, Leisure & Hospitality, Logistics, Manufacturing, Oil & Gas, Pharmaceutical, and Telecommunications.

She is a strong believer in personal transformation as the key for sustainable change in business. In her work, she combines her professional experience and entrepreneurial background while engaging enthusiasm, empathy, and care to help clients implement actionable solutions to get results in the shortest time frame.

Currently running a term as the President-Elect for the ICF Singapore Chapter, she is one of the few Professional Certified Coaches (PCC) certified by the International Coaching Federation of Singapore and an active contributing member of the Asia Pacific Alliance of Coaches (APAC). Jass is also an Associate Member of the Singapore Institute of Directors (SID). She has been featured in the media multiple times, such as HRM Magazine, Human Resources and 938Live Radio.
